**To all our supporters - AN UPDATE FROM CAMP NUTIMIK****July 19 2017**

God continues to do amazing things at Camp Nutimik this summer!

Our Junior 1 camp was full with 6 cabins of 9-11 year olds with all the enthusiasm and energy that comes with the first week of summer vacation. Danita Fandrich, our camp speaker for the week, presented Christ to these children in a very clear and understandable way and I'm thrilled to report that we had five (5) first time commitments and two (2) re-commitments to Christ!

The Expedition Canoe Trip went very well even though it was very taxing for a number of the campers. Gospel seeds were planted and campers and staff were blessed with safety and some amazing natural experiences like close up encounters with loons and eagles.

This week we have somewhat fewer campers for our Middle Years (10-12 year olds), but no less energy and enthusiasm. Ben Clouston is our camp speaker this week and his ability to do "magic" tricks (illusions) and using these to draw the children into the Word of God has been well received.

I again want to say "thank you" for praying for us. In my last update, I indicated that we had a need for a Health Officer for this week. The Lord provided us with three wonderful women who stepped in so that every day has been covered. Thank you to Petra & Ashley Pedde and Robyn Kintop for stepping in and outside your comfort zones.

We do have **several needs** that we are continuing to ask God to fill. Due to the larger number of campers that have registered and continue to register (377 as of today's date), we are requiring some additional staff.
