

## Reaching Kids – Growing Disciples – Developing Leaders

---

To all our supporters - AN UPDATE FROM CAMP NUTIMIK

July 13, 2017

We have much to be thankful for and to praise our Lord for. Our staff training week was great and God has blessed us with a talented and eager staff team. One of the highlights for me during the staff training week was our Wednesday night praise and worship time. How amazing to see young men and women praising God and worshipping Him with soul, mind and strength!

This week has been our first full week of camp with campers aged 9-11 (Junior 1). We have six full cabins of campers with enthusiasm and energy. On Tuesday when we had a significant rainfall, our staff team had to make some on-the-fly changes to the program and it was impressive to see them work together to make the program fun and meaningful to the campers.

Thank you for praying for us. It's been obvious that your prayers are availing much as our staffing for the summer is coming together wonderfully. As an example, this past week we got a call "out of the blue" from two young ladies who had previously worked at camp but didn't think they had time to do so this year. Their schedules had been freed up and they are now coming out to camp to do lifeguarding for a week! PTL.

We have been blessed to have Danita Fandrich with us this week as our chapel speaker and to also have Rob Fandrich leading the Expedition Canoe trip on the Manigatogan. We thank the Lord for protection for those on the Expedition Out trip.

We do have several needs that we are asking God to fill. Due to a family emergency, the nurse who was going to be our Health Officer this next week has had to remove herself from service. As a result, we are in need of a Health Officer for a part of the week (Monday evening, Tuesday and Wednesday all day). The Lord has provided us with a Health Officer for Sunday and Monday (until evening), and Thursday and Friday, so we are seeking a Health Officer (nurse, doctor, EMT) who can help us out from Monday evening to Thursday morning. Please contact me if you are available or have suggestions of whom we might contact.

Our cook situation has been wonderfully answered but we do need 2 additional cooks for the week of July 31-August 4<sup>th</sup>. Please contact Darlene if you are able and willing to help out.

We are so grateful for the prayer support and for the financial support we are seeing provided for our summer staff through the Share-a-Wage program. Thank you again for allowing God to use you and your resources in this way.

I look forward to next week to be able to tell you how God has worked this past week. In the meantime, we ask for your continued prayer support, for health and protection and that God's Word goes forward in a mighty way.

Always in the grip of His eternal Grace
