

Living in the Victory God Gives

Sermon Focus: 2 Samuel 8

Notes: Week Six

Introduction:

The outline of the message this morning is borrowed from Alan Redpath's book, <u>The Making of a Man of God</u>. He writes about the <u>scope of</u> the victory, the <u>strategy for</u> the victory and the <u>sequel to</u> the victory that God gave David. As we apply this to our lives we think of the victory our Lord Jesus secured for us at the cross as well as the 'victories' He promises as we step out and trust Him.

Message:

2. The Strategy for the Victory God Gives (2 Samuel 8:7 - 12)

3. The Sequel to the Victory that God Gives (2 Samuel 8:13 - 18)

Questions for Reflection and Discussion:

- 1. David took the favour and the fame God gave him and he turned it back to God in worship. Can you give some recent examples of how you have done this in your life?
- 2. David's victory was complete on all sides (north, south, east, west). Can we have victory against the enemy on all sides? Give examples of the different battle fronts you contend with and how the Lord is giving you victory. Pray together with others about these areas.
