Paul's Letter to Philemon

How has the internet has changed our lives?

Capturing memories and meaningful homecomings:

Unpacking Philemon:

Why did Paul write this letter?

⇒ Who was Philemon?

⇒ Who was Onesimus?

The countercultural problem that Paul was creating:

⇒ What was Philemon known for?

⇒ What do we want to be known for?

Creating spaces for love and grace to flourish:

**Each of you should
use whatever gift
you have received
to serve others...**

1 Peter 4:10 (NIV)

This is how it works when you fill out a
FirstSERVE form:

- Someone will contact you to arrange your FirstSERVE opportunity with a current ministry volunteer.
- No commitments to continue in that ministry will be expected of you.
- YOU decide if you want to apply to serve in that ministry or try another ministry position!
