## Moving Forward

Dear Friends in Mission,

We sincerely thank you for your faithful support of Far Corners Ministry in 2025. This support allows us to resource the vision of our partners in Northeast India.

Your gifts to Far Corners Ministry support many vital aspects of ministry including those listed on the right.

Even though we were unable to travel to India personally in 2025, we are blessed to have a trusted godly leader guiding all of the work there. Our hope is that he will be able to visit us in Canada later this year and have the chance to speak at many of our supporting churches.

### Pastors

- Monthly support for 9 pastors who are leading 12 churches, including ongoing theological education
- New initiatives in 2025: Our pastors met with other key church leaders at a visioning summit and participated in large multi-day outdoor crusade meetings

### Various Needs Met

- Continuing development of new church buildings and facilities
- Fellowship events for youth and women
- 2000 Bibles distributed during public Christmas celebrations
- Chicks for families to raise providing them with additional income

### Education & Health

- Better education for 14 children of needy pastors
- Our primary school has grown from 15 to over 30 students
- Support for teachers at that school
- A school lunch program for students
- Students provided with free medical check-ups

## Gratitude

Our partners are in one of the few parts of India that still has freedom to proclaim the gospel in public. We are very thankful for their safety. Please continue to pray for these pastors and their growing churches as many come to faith. Pray that these freedoms will continue; we don't take them for granted.

## Financial Support

Our ministries have grown and we hope to increase our automatic monthly donor base as monthly support provides a stable income for current and future needs. To that end, please find enclosed a form . Other gifts can be given via mail, our website or e-transfer.
