LifeGroup Discussion Questions:

1. **When Jesus healed the leper, he told him to follow Old Testament law and present himself to the priest**. What are some of your observations about the significance of Jesus telling him to do this?

2. **The paralytic and his friends put their faith into action.** How could you better demonstrate your faith in Jesus by your actions?

3. **The scribes and Pharisees were quick to overlook the divinity of Jesus in their judgment of His words and actions.** How do you sometimes have more faith in your own qualities and abilities than in Jesus' power at work within you?

4. How aware are you of God's amazing work in the world around you? How can you become more attuned to His presence and find joy in allowing Him to demonstrate His glory in and through you?

5. **Jesus came to call sinners to repentance.** How could you be more effective in being a witness to His amazing love and saving grace?
