Shifting Tides

Dear Friends in Mission,

We have both wonderful and difficult news to share with you. Starting with the good news, our pastors and churches once again joined with many other evangelical churches to hold two days of outdoor crusade meetings in March. Despite often rainy conditions, **over 9000 people attended**. Many people gave their lives to the Lord including **approximately 1000 young people!**

Church congregations continue to see significant growth. Our regional director recently **baptized 35** people in two months and 8 more are ready to be baptized. He described one of our **churches** as **"exploding"** with no room left to hold everyone and likely moving to two services.

The difficult news is that there has been **a change in government** at the state level. Where we last reported there was still freedom to publicly proclaim the gospel. We expect this will no longer be the case. Due to the changing political landscape, they may also need to build a baptismal tank within the Center of Ministry compound rather than use the local river.

We ask for your prayers for the many pastors, churches, and new believers who will now have to navigate this new reality. Please pray for their protection, for wisdom and grace.

Construction Projects

In April, our latest church construction project was completed. That church was dedicated in early May with about 200 people in attendance, including over 40 pastors.

The rooms at our Center of Ministry are complete. They are now available for pastors and others who attend various ministry events. They recently had their first paying guests in these facilities which help cover costs.

Current Needs

In order to host various groups Christian events, the Center of Ministry compound needs the following:

- An outdoor kitchen - \$1400
- A dining tent - \$1750

A Trip to India

We expect to send a small team from Canada to India in November for about two weeks. They will have a chance to spend time with our pastors and associated churches and visit various projects.

Please pray for this endeavour.

Communication

Email or "Snail Mail"

We have decided to send out three newsletters per year instead of quarterly updates - in February, June and October. Again, if you would prefer to receive these by email, you can either: a) Email us and write "Newsletter" along with your name in the Subject line, or b) Scan the QR code below and submit your information via a short online form.

Thank you for your continued interest and partnership with our brothers and sisters in India!

Sincerely,

Rev. Dr. Shant & Ginny Manuel
